

# Candy

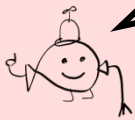

**The *Sweet* Programming Language For Kids**

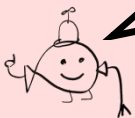

Hey kids, welcome to **Candy Land**! The world where you can create your own **Candy Adventure**! Hi, my names **Candy Daniel**. I will be your guide on creating your own personal adventure!

Here are the steps you need to take in order to create and **Candy Adventure** of your own!

### Step 1:

Double click on the **Candy Land Program** to start!

### Step 2:

Now that you've started, follow what **Candy Daniel** tells you to create your own adventure!
