

Candy

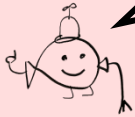

The *Sweetest* Programming Language For Kids

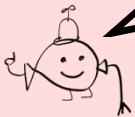

Hey kids, welcome to **Candy Land**! The world where you can create your own **Candy Adventure**! Hi, my name is **Candy Daniel**. I will be your guide on creating your own personal adventure!

Here are the steps you need to take in order to create a **Candy Adventure** of your own!

Step 1:

Double click on the **Candy Land Program** to start!

Step 2:

Now that you've started, follow what **Candy Daniel** tells you to create your own adventure!
